

PROJECT DESCRIPTION

May 13-19 a delegation of 15 female entrepreneurs from Georgia will visit the Netherlands. Goal of this mission is to support these entrepreneurs in further developing their talent and introducing them to their business counterparts. The week will include:

- Training
- expanding the international network both collectively and individually
- offer better insights in international opportunities
- introduction to potential business leads and partners

This will offer a unique opportunity to develop the potential of these highly talented Georgian business women and offer opportunities to underline mutual business opportunities in The Netherlands and Georgia.
