

ITINERARY

The day starts with an exclusive by invitation only round table and panel session.

This session will bring together business development executives from eight of Canada's major cities (Toronto, Montréal, Vancouver, Ottawa, Calgary, Halifax, Québec City, Winnipeg) and inspiring speakers from the Dutch development eco-system.

We regret to say that this session is a private session, but you are welcome to express your interest in the luncheon and **Canada Investment and Innovation Forum, the B2B meetings and / or the networking cocktail.**
